Information regarding the multilingual consultation hours for tenants:

If you have any questions regarding the mentoring program “Hallo neue Nachbarn” (“Hello new neighbors”), your rental contract, or if you need help with other documents from WBM, we offer a multilingual consultation session every Wednesday from 13:00 – 17:00 in the following languages: German, English, French, Kurdish, Arabic, and Persian. Further languages may be accommodated when necessary.

Please make an appointment with the responsible person and let us know if you need a translation and in which language.
